NEW!
Heat pump rebates

Get up to \$850* in furnace and air conditioning rebates

Warm up with a \$250 rebate

Go high efficiency when you upgrade your old furnace. Offer ends December 31, 2018. Eligible furnaces must be equipped with an ECM motor.

Cool down with a \$600 rebate

Install a high-efficiency 18+ SEER central air conditioner and save all summer, every summer.

Special offer for electrically heated homes

Heat pump rebates up to \$5,800*

Upgrade your central electric furnace or baseboard heating to an air-source heat pump. Reduce heating costs up to 50%† and get the best of both worlds with the additional benefit of air conditioning.

Find a participating contractor at
SaveonEnergy.ca/Comfort

Not electrically heated?

Visit **GreenOn.ca** for more rebates and ways to save.

Subject to additional terms and conditions found at saveonenergy.ca. *Incentives are available for installation of eligible equipment completed between Jan. 1 and Dec. 31, 2018 and submitted no later than Feb. 1, 2019. †Equipment must be purchased from and installed by a participating contractor. A portion of the air-source heat pump rebate is
