This map and the data thereon is provided for information purposes only. It is not intended to be relied upon as the sole source of determining the permissible capacity of the distribution system for new load or distributed energy resources (DER). You are encouraged to contact us at emailus@bluewaterpower.com with your load/DER proposal as well as the proposed location; we are always responsive and you will hear from us within two business days with a more detailed response or a request for further information.
