

Micro-Embedded Generation Facility Connection Agreement
(Generation less than 12kW)

In consideration of Bluewater Power Distribution Corporation (BPDC) agreeing to allow you to connect your 12kW name-plate rated capacity or smaller generation facility to BPDC's distribution system, you hereby agree to the following terms and conditions.

1.0 Eligibility

1.1 You agree that your generation connection shall be subject to all applicable laws and bound by the terms and conditions of BPDC's Conditions of Service as amended from time-to-time, which have been filed with the Ontario Energy Board (OEB) and are available on request and on BPDC's website: www.bluewaterpower.com

2.0 Technical Requirements

2.1 You represent and warrant that you have installed or will install prior to the connection of your generation facility to BPDC's distribution system, an isolation device satisfying Section 84 of the Ontario Electrical Safety Code and agree to allow BPDC's staff access to and operation of this as required for the maintenance and repair of the distribution system.

2.2 You agree to perform regular scheduled maintenance to your generation facility as outlined by the manufacturer in order to assure that connection devices, protection systems, and control systems are maintained in good working order and in compliance with all applicable laws.

2.3 You agree that during a power outage on BPDC system your generation facility will shut down, unless you have installed special transfer and isolating capabilities on your generation facility. You agree to the automatic disconnection of your generation facility from BPDC's distribution system, as per the generator protective relay settings set out in this Agreement, in the event of a power outage on BPDC's distribution system or any abnormal operation of BPDC's distribution system.

2.4 You covenant and agree that the design, installation, maintenance, and operation of your generation facility meet the CSA and ESA rules and regulations, and are conducted in a manner that ensures the safety and security of both the generation facility and BPDC's distribution system.

2.5 Due to BPDC's obligation to maintain the safety and reliability of its distribution system, you acknowledge and agree that in the event BPDC determines that your generation facility (i) causes damage to; and/or (ii) is producing adverse effects affecting other distribution system customers or BPDC's assets, you will disconnect your generation facility immediately from the distribution system upon direction from BPDC and correct the problem at your own expense prior to reconnection.

3.0 Liabilities

3.1 You and BPDC will indemnify and save each other harmless for all damages and/or adverse effects resulting from either party's negligence or willful misconduct in the connection and operation of your generation facility or BPDC's distribution system.

3.2 BPDC and you shall not be liable to each other under any circumstances whatsoever for any loss of profits or revenues, business interruptions losses, loss of contract or loss of goodwill, or for any indirect, consequential, incidental or special damages, including but not limited to punitive or exemplary damages, whether any of the said liability, loss or damages arise in contract, tort or otherwise.

4.0 Compensation and Billing

4.1 If you are not an embedded retail generator, you agree that, subject to any applicable law:
a. BPDC will not pay you for any excess generation that results in a net delivery to BPDC between meter reads; and
b. there will be no carryover of excess generation from one billing period to the next unless you are, at the relevant time, a net metered generator (as defined in section 6.7.1 of the Distribution System Code).

4.2 If you are an embedded retail generator selling output from the embedded generation facility to the Ontario Power Authority or its successor under contract, you agree that BPDC will pay you for generation in accordance with the Retail Settlement Code.

4.3 If you are an embedded retail generator delivering and selling output to BPDC, you agree that BPDC will pay you for generation in accordance with the Retail Settlement Code.

5.0 Termination

5.1 You understand that you have the right to terminate this agreement at any time, and that by doing so you are required to disconnect your generation facility and notify BPDC of such action.

6.0 Assignment

6.1 You may assign your rights and obligations under this Agreement with the consent of BPDC, which shall not withhold its consent unreasonably. BPDC shall have the right to assign its rights and obligations under this Agreement without your consent.

I understand, accept and agree to comply with and be bound by the above terms and conditions governing the connection of my generation facility to BPDC's distribution system.

Customer Signature: _____ Date: _____

Print name: _____

BPDC account number: _____

I confirm that the following information is true and accurate:

Nameplate Rating of Generator: _____kW

Total installed generation: _____kW

Type: Wind Turbine Photovoltaic (Solar) Hydraulic Turbine Fuel Cell

Other _____

Inverter Utilized: Yes No

Inverter Certification: CSA C22.2 No. 107.1 and
 CSA C22.3 No. 9-2020 or
 UL 1741 SA or later

Site Inspected and Certified by the ESA: Yes No

For office use: Station _____ Feeder _____ Date Connected _____
